MUSIC THEATRE:

Musical theatre is the broad term referencing the combination of music, spoken dialogue, acting and dance. It is an integrated approach to theatre and works to enhance the dramatic intent of a plot line from a musical perspective. Distinct from opera, if you elect to compete in this section you should perform something from a musical that has been created for the stage. This may include traditional musical theatre (e.g.: Rogers & Hammerstein) or more contemporary forms of musical theatre (e.g.: Schwartz, Lloyd Webber, Sondheim). Competitors performing in Music Theatre Sections may use a backing track or piano accompaniment.
