

Cloud Door Hangers Craft

Supplies

- “Cloud Door Hanger” handout, printed on white card (PDF attached or printed copies available from Jess)
- scissors
- double-sided tape or glue
- marker pens
- cotton balls

Make Cloud Door Hangers

- Cut out the door hanger shape.
- Write “I’m with God” in the middle of the cloud. You can also add other decorations in that area.
- Cover the door hanger with double-sided tape or glue except over the words you wrote.
- Arrange cotton balls on the double-sided tape or glue. As you arrange them, stretch the cotton balls to make your cloud look more like one big piece.
- You can also cover the back in cotton balls too.

Talk About It

As you create, groups discuss these questions.

- **Where do you like, or where do you think would be a good place to spend time praying or reading your Bible?**
- **When do you like, or when do you think would be a good time to spend time praying or reading your Bible?**

When Moses met with God, he talked with God face to face, like talking to a friend. We can talk with God the same way! God is special, and he deserves special time with us. When we spend time with God, he changes us!

When Moses spent time with God in the Tent of Meeting, everyone knew he was with God because a cloud covered the entrance to the tent. You can let your family know when you’re spending special time with God by hanging the cloud you made on your door.

Weekly activities and discussion questions are available in the Church App under the devotions tab and online at www.emmanueluca.org.au/devotions
