Sunday 29 November 2020 marks the start of Advent this year. Advent is the four weeks leading up to Christmas during which time we pause to prepare our hearts and our homes for Christmas and Jesus.

During the Advent Season this year, we will be following along an Advent Video Challenge. Daily videos, discussion questions, as well as a daily challenge and associated materials will be available on our app and website [www.emmanueluca.org.au/dig-in-at-home](http://www.emmanueluca.org.au/dig-in-at-home) and will also be shared on the Emmanuel Uniting Church Facebook Page and YouTube channel.

This Advent Pack contains some of the materials for the challenges, that you can use to decorate and prepare your home for the season. We invite you and your household to pause and gather each day during this time to watch the video, use the questions to reflect and discuss what God might be saying to you, and then complete the challenges if and when you can.

We'd also love to interact with you during this time and invite you to share your thoughts and photos with us via the Facebook posts or email to [jess@emmanueluca.org.au](mailto:jess@emmanueluca.org.au).

I pray that God will richly bless you during this time as you pause and reflect and soak in the Hope, Peace, Joy and Love that He has for you this season, and all the year through.

If you have any questions, need additional resources or would like to share what you have been doing please feel free to get in touch via [jess@emmanueluca.org.au](mailto:jess@emmanueluca.org.au) or 0438 168 706.

God Bless,

Jess
